OFFICE NOTE.

SUBJECT: G.O.No.L.16072-75/I.T.B.6-55-4 dated 12/17th March 1956, sanctioning the Budget estimates of the Board for the year 1955-56.

The Budget for the year 1955-56 has been receive sanctioned with certain modifications in the above G.O. The important change in the sanctioned budget is:-

1. Against the proposed budget of this office, withdrawal of annual grant towards the establishment and other incidental charges.

A sum of Rs.1,00,000/- had been originally provided and this has been deleted in the sanctioned budget, inspite of clearly bringing to the notice of Government on several occasions, that it would not be possible for meeting these charges without adequate alternative facilities like collection of a portion of taxes, or execution of works wherein the establishment charges would be adequate to cover this expenditure.

Without communicating the decision in the matter this unexpected omission of the annual grant to the Board would leave the Board in a very embarrassing and difficult financial position and serious notice of this situation has to be taken by the Board and every step should be taken to bring home the facts of the case to the notice of Government.

Therefore it is suggested that the Board of Trusteesmight fix up a suitable engagement with the Finance Minister and L.S.G.Minister for a deputation

P.T.O.

in the matter and seek necessary redress from Government.

Chairman.
